Children & Young People

**Often the Biggest Victims of
Domestic Abuse are the Smallest**

A young boy with dark hair is smiling and looking down at colorful geometric blocks (yellow, purple, blue, green) he is playing with. The background is softly blurred, showing what appears to be a living room setting.

Women's Aid ABCLN provides specialised services and support for children and young people affected by domestic abuse.

- One to One Support
- Facilitated Group Work
- Education & Prevention Programmes including Healthy Relationships

Family Support services offer an early intervention approach working with mums and their children to reduce risk and keep them safe.
